

Blackout Leather Productions of Oregon, Inc.
PO Box 3134
Portland, OR 97208

Blackout Leather Productions cannot do what we do all by ourselves. It is with help from individuals, organizations, and businesses that we are able to put on successful events that allow Blackout to make substantial donations to organizations and charities that do so much good work in the Oregon and SW Washington communities. We are pleased to offer a Corporate Partnership program with three different levels available.
